Welcome

Call to Worship

In our world marked by violence and war,

**we choose to gather today in harmony.**

In our world of suffering and oppression,

**we gather to yearn together for justice for all.**

In our world where we send our young men and women to unfamiliar lands to face impossible decisions and fear,

**We come together to grieve for the loss of the fallen and for the ceaseless trauma of so many who returned.**

Here in this place we remember the cost of human warring and terrorizing.

**Here in this place we acknowledge our need of divine intervention, wisdom, and healing. Come let us pray and worship in humility, spirit, and truth.**

Opening Prayer

From the rising of the sun until its setting,

**God of peace, God of justice, God of love,  
Remember and comfort your people.**

From the bleakness of war to the lavish warmth of peace,

**We turn to God, asking that you enfold our planet in your justice, peace and truth.**

Enlighten the minds of those making decisions, melt the hearts of those inflicting cruelty upon your children and strengthen the resolve of all who pray for peace.

**And may God bless us – and may God hold our world and all its people gently, and may God make us wiser. Amen.**

## Lighting the Christ Candle

*We dedicate this Musical Service of Remembrance to the memory of beloved family and friends who have gone before us. As we sing together, we are reminded of the light and love they have added to our lives. We are reminded of the light and love present in every generation, of the precious gifts of wisdom, nurturing and caring passed from one generation to the next.*

### “Shall We Gather at the River”

No. 710 VU

*(Sung by the Congregation)*

Shall we gather at the river,  
where bright angel feet have trod;  
with its crystal tide for ever  
flowing by the throne of God?

**Refrain:** Yes, we'll gather at the river,  
the beautiful, the beautiful river;  
gather with the saints at the river  
that flows by the throne of God.

Ere we reach the shining river,  
lay we every burden down;  
grace our spirits will deliver,  
and provide a robe and crown. R

Soon we'll reach the shining river,  
soon our pilgrimage will cease,  
soon our happy hearts will quiver  
with the melody of peace. R

**“In the Bulb”<sup>1</sup>**

No. 703 VU

*(Sung by the Congregation)*

In the bulb there is a flower;  
in the seed, an apple tree;  
in cocoons, a hidden promise:  
butterflies will soon be free!

In the cold and snow of winter  
there's a spring that waits to be,  
unrevealed until its season,  
something God alone can see.

There's a song in every silence,  
seeking word and melody;  
there's a dawn in every darkness,  
bringing hope to you and me.  
From the past will come the future;  
what it holds, a mystery,  
unrevealed until its season,  
something God alone can see.

In our end is our beginning;  
in our time, infinity;  
in our doubt there is believing;  
in our life, eternity.  
In our death, a resurrection;  
at the last, a victory,  
unrevealed until its season,  
something God alone can see.

“Precious Lord, Take My Hand”<sup>2</sup>                      No. 670 VU  
(*Sung by the Congregation*)

Precious Lord, take my hand,  
lead me on, let me stand,  
    I am tired, I am weak, I am worn;  
through the storm, through the night,  
lead me on to the light:  
    take my hand, precious Lord, lead me home.

When my way grows drear,  
precious Lord, linger near,  
    when my life is almost gone,  
hear my cry, hear my call,  
hold my hand lest I fall:  
    take my hand, precious Lord, lead me home.

When the darkness appears,  
and the night draws near,  
    and the day is past and gone,  
at the river I stand,  
guide my feet, hold my hand:  
    take my hand, precious Lord, lead me home.

**“We’ll Meet Again”** (Sing Twice)

*(Sung by the Congregation)*

We'll meet again,  
Don't know where, don't know when,  
But I know we'll meet again  
Some sunny day.  
Keep smiling through,  
Just like you always do,  
'Till the blue skies drive the dark clouds far away.

So will you please say hello  
To the folks that I know,  
Tell them I won't be long.  
They'll be happy to know  
That as you saw me go,  
I was singing this song.  
We'll meet again,  
Don't know where, don't know when,  
But I know we'll meet again  
Some sunny day.

## Live Your Best

I may never see tomorrow  
there's no guarantee  
and things that happened yesterday  
belong to history.

I cannot predict the future  
I cannot change the past  
I have just the present moment  
I must treat it as my last.

I must use the moment wisely  
for it soon will pass away  
and be lost to me forever  
as part of yesterday.

I must exercise compassion.  
Help the fallen to their feet.  
Be a friend to the friendless.  
Make an empty life complete.

The unkind things I do today  
may never be undone.  
Any friendships that I fail to win  
may nevermore be won.

I may not have another chance  
on bended knee to pray,  
and I thank God with humble heart  
for giving me the day.
